ABOUT ME

- **Junior Full Stack Web Developer** focused on developing responsive web applications using PHP, MySQL, JavaScript, React, and Angular.
- Throughout my training, I developed 10 practical projects and a complete e-commerce platform (NEXBYTE), consolidating skills in full-stack development, databases, and web interfaces.
- Recognized for strong problem-solving abilities, continuous learning, and English fluency (C2 level), combining technical skills with an analytical and quality-driven approach.

WORK EXPERIENCE

GiGroup Holding - Portugal, Lisboa

Consecutive interpreter

[19/01/2026 - 30/05/2026]

- Provided real-time interpretation services between English and Portuguese during telephone conversations, medical calls, and emergency calls.
- Ensured accurate communication, strict confidentiality, and the preservation of the original context of each interaction.

Climed - Angola, Luanda

IT Support Technician

[15/10/2022 - 18/12/2025]

- Provided on-site and remote technical support for computers, software applications, and peripheral devices.
- Installed, configured, and maintained operating systems and business applications.
- Diagnosed and resolved hardware and software issues, ensuring the continuity of clinical and administrative operations.

Self-Employed - Portugal, Lisboa

Freelance IT Support & Web Developer (Remote)

[17/08/2020 - 06/10/2022]

- Developed and maintained customized websites and web applications for clients using HTML5, CSS3, JavaScript, PHP, and MySQL.
- Implemented updates, bug fixes, and optimized web performance and accessibility.
- Communicated with clients to gather requirements and develop tailored technical solutions.

Arvato Group - Portugal, Lisboa

Customer Service Representative

[01/09/2016 - 01/05/2017]

- Resolved email-based technical support requests related to computer performance and game compatibility.
- Diagnosed hardware and software incompatibilities, providing clear technical guidance to users.

EDUCATION & TRAINING

Full Stack Web Developer

Master.D [25/05/2026 - Current]

City: Lisboa | Country: Portugal

Website: <https://www.masterd.pt/> | Field(s) of study: Information and Communication Technologies:

- Completion of intensive training in Full Stack Web Development, covering front-end and back-end development, and database architecture.
- Training complemented by 10 practical projects and the development of the final application NEXBYTE.

Mestrado Integrado em Engenharia Civil (não concluído)

Instituto Superior Técnico [14/09/2017 - 31/07/2020]

City: Lisboa | Country: Portugal

Field(s) of study: Engineering, manufacturing and construction: • Building and civil engineering | Level in EQF: 5

- Study of differential and integral calculus, linear algebra, probability, and statistics.
- Analysis of structural mechanics, strength of materials, hydraulics, and construction materials.
- Development of skills in programming, computational mathematics, and digital modeling.

PROJECTS

NEXBYTE – Full Stack E-commerce Platform

- Complete platform developed as a final project, featuring support for 4 languages (i18n), authentication, and an administrative dashboard.
- Architecture built with PHP 8, MySQL, JavaScript, and Bootstrap, applying Object-Oriented Programming (OOP) and the DAO pattern.

Link: <https://github.com/Mrtrew97/nexbyte-ecommerce>

Personal Portfolio

- Modern application structured as an SPA (Single Page Application), featuring dark/light mode support, internationalization (i18n), and fully responsive design.
- Developed with HTML5, CSS3, JavaScript ES6+, Bootstrap 5, Fetch API, and JSON.

Link: <https://mrtrew97.github.io/personal-portfolio/>

Course Projects Repository

- Collection of 10 practical projects developed throughout the Full Stack Web Development training programme.
- Technical evolution demonstrated through applications built with HTML5, CSS3, JavaScript, React, Angular, PHP, and MySQL.

[Master.D, 17/07/2026]

- Successful completion of the SKB English module (C1), developing advanced grammar, vocabulary, and communication skills in the English language.

Mode of Learning: Online

Link: https://drive.google.com/drive/folders/1jjyYF6_OP3Qmt_zznDdhAqZmJyijwL2k?usp=sharing

TECHNICAL SKILLS

Programming Languages

- PHP • JavaScript (ES6+) • TypeScript • SQL • HTML5 • CSS3

Frameworks & Libraries

- React • Angular • Bootstrap 5 • jQuery • Node.js • NPM

Databases

- MySQL • MariaDB • Supabase

Tools

- Git • GitHub • Visual Studio Code • XAMPP • AJAX • Fetch API • APIs REST • Google Apps Script

Development Concepts

- OOP • DAO • Responsive Design • Session Management • Internationalization (i18n) • Debugging & Troubleshooting • MVC • CRUD • Authentication • Access Control

LANGUAGE SKILLS

Mother tongue(s): Portuguese

English

LISTENING: C2 **READING:** C2 **WRITING:** C1

SPOKEN PRODUCTION: C2

SPOKEN INTERACTION: C2

Chinese

LISTENING: B1 **READING:** B1 **WRITING:** A2

SPOKEN PRODUCTION: A2

SPOKEN INTERACTION: A2
